Step 3 – You might need to watch the video a second or third time to really understand it.

Step 4 – Once you are clear on the difference between to, too and two I want you to put each word in a sentence to show your understanding.

Step 5 – Examples:

The boy went "to" the store "to" buy groceries.

That new shirt you bought is "too" cute for words!

She had only "two" dollars in her wallet.

Step 6 – Share your understanding with someone at home. Show them the sentences you have created.
