

### CHALK DRAWING

Do you have chalk? Draw a picture on the footpath.

Alternatively, if you have a brick house make a pattern using chalk (ask your parents first)

### OBSTACLE COURSE

Make an obstacle course in your back-yard. Time yourself and try to beat your record. E.g. Run to the tree, ten star jumps, hop to the trampoline, 10 push ups, forward roll to the back door.

### FRUIT SALAD

Do you have fruit? If, so make a fruit salad!

Be healthy today!!

### SCAVENGER HUNT

Materials: 1 Dice

Colours:

Red
Blue
Green
Yellow
Black

You are going to work down the list of colours. You need to find things around your house. First colour Red. Roll the dice. If you get a 5. You need to find 5 things that are red. Work through all the colours. Take a picture of all the things you have collected and email it to your teacher.

### MAPPING

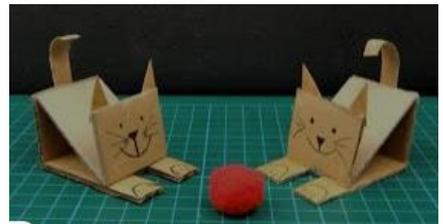

Draw a map of your whole home

Include a legend so we can see what all the wonderful pictures on your map are!

### RECYCLED ART

Find some old boxes, cereal, toilet rolls, egg cartons etc... Create an animal, real or imagined. If you have paint you could paint it!

### PUPPET MAKING

Make some shadow puppets using paper. You'll need:

1. Paper (any colour)
2. Scissors
3. A torch (phone with a torch)

Draw and cut out a character from paper. Shine a light on the paper and hold it up to the wall in a dark space. Create lots of puppets and tell a story!

### KITE BUILDING!

We all know what a kite is. Use A4 paper and some string to build a kite that will stay up as long as possible. Don't look up any designs, just try your best to keep a kite in the air as long as you can. You might need to try lots of different ways to make one.

### WHAT'S TO EAT?

Design a nutritious family meal plan for a day.

The plan you create includes Breakfast, Lunch, Dinner and Morning & Afternoon Tea. Plan meals that can be made at home... no take-away! Publish your Menu with illustrations and include some of the recipes (Procedural Text).
