

Thursday 23rd October

Dear Parents/Carers,

As part of fundraising for garden improvements and more outdoor furniture around the school, JSC will be having a Walkathon in Term 4! This exciting and fun event will be happening on Wednesday 5th November and will take place on a course in our school grounds throughout the day. Students will be coming home with a sponsor sheet to try to get family members and friends to sponsor them for each lap they complete. Sponsors could give between 10c to \$1 for each lap. Classes will complete the Walkathon during the times set out below:

Prep/1 Area and 5/6 Area: Between 9am and 11am

2/3/4 Area: Between 11.30am and 1.30pm

If you are able to sponsor your child please send the sponsor sheet back to the classroom teacher by Friday 31st October and the number of laps they walked will be filled in by the teacher. After the event students collect the money they raised and return it to school by Friday 14th November.

Please note that children do not need to be sponsored to participate in the Walkathon. On the day all students will join in as part of our weekly physical education activities.

Junior School Council thanks everyone in the Pender's Grove community for their ongoing support this year!

Laps I walked-

To be filled in during the day of the Walkathon

After you have gotten your sponsors, leave this sheet with your classroom teacher by Friday 31st October. They will record how many laps you walked on the day of the Walkathon (Wednesday 5th November) then you can take the sheet home and collect the money you have raised! Please return your raised money by Friday 14th November.
