

Reading Lesson

Thursday 14.05.20

Sustained Reading and a Response

What we will learn...

Learning Intention: To think about what I am reading and respond to it.

Success Criteria:

- I will read for 30 mins
- I will choose a response and respond to what I have read

Independent Reading (30 mins)

You are going to read independently for 30 mins

You need to track your reading, either in your diary or your reading log. This includes the date, title, number of pages read and/or minutes read

After Reading (15 mins)

After you have read and tracked you are going to do a reading response.

You will choose which response to do from a new Reader's Response Choice Board (found on the daily page under reading)

You will do a different response each day.
